FINAL CHECKLIST FOR LEASE

Lessee Name City of Bremerton

Lease # 22-002604

FOR EXECUTED LEASES

FOR APPLICATIONS

- ☐ Lease Expired Date _____
- ☒ Lease Canceled Date 3/30/25
By Department Order? ☒
By Letter? ☐
- ☒ Copy of Department Order or Letter in lease jacket?
- ☐ From the AR screen (accounts receivable), check to make sure there are no open items, such as cash on account, interest charges or unpaid invoices. See "How to Verify Billing Action" in the RMS/APS user manual.
NOTE: All outstanding open items must be reconciled before proceeding with the Final Checklist.
- ☐ From the APS 21 screen (agreement distribution), turn off the recurring bills.
☒ Select PF-17 (start/stop recurring bills).
☒ Select the appropriate numeric reason code.
☒ Select PF-5 (Update).
- ☐ From the APS 21 screen (agreement distribution), close the RMS account.
☒ Select PF-14 (close account).
☒ Press Shift-Print Screen, to print the "RMS Control Data" screen.
☒ On the screen print, write "Please Close Account", the lessee's name, and sign and date.
☒ Send to Mary Ellen Pyfer in Financial Management Division (MS: 47041).
- ☐ From the APS 20 screen (agreement core data), archive the agreement.
☒ Change the "STATUS" field to an "A" to archive the APS record.
☒ Change the "MGT STAT" field to "EXPIRED" or "CANCELED" (which ever applies).
☒ Select PF-7 (more), to enter a narrative statement in the "COMMENT" field that describes why the agreement is being closed.
NOTE: It is mandatory that a comment be entered for all closed agreements.
☒ Select PF-5 (update).

- ☐ Application Rejected Date _____
- ☐ Copy of rejection letter in lease jacket?
- ☐ From the APS 10 screen (application core data), archive the application.
☐ Change the "STATUS" field to an "A" to archive the APS record.
☐ Change the "MGT STAT" field to "REJECTED".
☐ Select PF-7 (more), to enter a narrative statement in the "COMMENT" field that describes why the application was rejected.
NOTE: It is mandatory that a comment be entered for all rejected applications.
☐ Select PF-5 (update).✓✓

Above tasks were completed by Don Williams

Date 9/22/25

- ☐ Attach completed Final Checklist form to the lease jacket and forward to Jim Thomas in the Ownership Section.
- ☒ This application/lease has been reviewed and the ownership records have been updated. Date 9-22-25 Jim J.
- ☒ Lease forwarded to the records custodian to send to the Records Center. Date PK 10/10/25
☒ Update location of lease jacket on JET system (NR32). kw2/finalchk.lst

Re: Cancellation of Harbor Area
Lease No. 2604

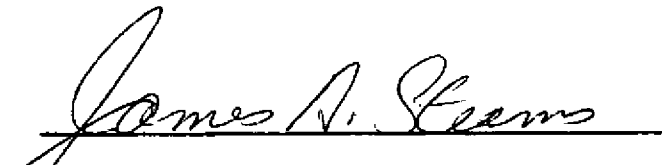

It is ordered that Harbor Area Lease No. 2604 to lease the harbor area situate in front of a portion of Section 14, Township 24 North, Range 1 East, W.M., for storm sewer outfall be canceled, and the \$60.00 received for said lease shall be applied to Agreement No. 46322.

JUSTIFICATION:

Easement documents apply to Department policy better than lease documents for non-effluent storm water outfalls.

Dated this 20th day of March, A.D. 19 85.

ACTION REQUESTED:

Approval _____ Signature X For Your Information _____

Comments cancel lease No. 2604 and applies
received to Agreement No. 46322.

Date Needed 3/8/85

RETURN TO:

Pam LaPorte - MLMD

SUMMARY AND BACKGROUND INFORMATION:

Originally thought use was for treated black-
water outfall. Outfall is to be for stormwater
and should be R/W. This cancels the lease
and R/W 46322 will be issued.

STATE OF WASHINGTON
DEPARTMENT OF NATURAL RESOURCES
Brian J. Boyle
Commissioner of Public Lands
Olympia, Washington 98504

HARBOR AREA LEASE NO. 2604

BY THIS LEASE, by and between the STATE OF WASHINGTON, acting by and through the Department of Natural Resources, hereinafter called the Lessor and CITY OF BREMERTON, hereinafter called the Lessee, the Lessor leases to the Lessee on the terms and conditions as hereinafter set forth, the following described harbor area situate in Kitsap County, Washington, to wit:

That portion of the harbor area of the Bremerton Tide Lands described as follows:

A strip of land 15 feet in width, 7.5 feet left and right of the following described centerline, situated in Section 14, Township 24 North, Range 1 East, W.M. Commencing at the northwest corner of said Section 14, thence S 85° 42' 21" E 2661.81 feet to a point on the meander line per State of Washington Board of State Land Commissioners, Maps of Bremerton Tide Lands, 28 February, 1913 (page 5), said point being the true point of beginning, thence N 28° 36' 45" E 13.61 feet to a point on the inner harbor line, said point being S 85° 58' 19" E 2667.48 feet from the northwest corner of Section 14, thence N 28° 36' 45" E 147.20 feet to the terminus point of said strip.

SECTION 1 OCCUPANCY

1.1 Term. This lease shall commence on the 1st day of November, 1983 and continue to the 1st day of November, 2003.

SECTION 2 USE OF PREMISES

2.1 Permitted Use. The Lessee shall have use of the leased premises for the purposes of constructing and maintaining a storm sewer outfall as shown on the exhibits approved by the Lessor and on file in the office of the Lessor.

SECTION 3 PAYMENT

3.1 Rental. Annual rental in the amount of \$60.00*, which represents 10 percent of the full and true value of the harbor area herein described as determined by the Lessor, in accordance with the provisions of Chapter 97, Laws of 1969, First Extraordinary Session, or as amended by subsequent legislation.

3.2 Payment. The payment of the rental fixed to the Lessor each year in advance, is the essence of this lease, and the same shall be, and is a condition precedent to the execution and continuance of this lease or any rights thereunder. Payment is to be made to the Department of Natural Resources, Olympia, Washington 98504.

3.3 Adjustment. The Lessor shall at the end of the first five (5) year period of the lease term and at the end of each subsequent five (5) year period of the lease term, determine the full and true value in money of the herein described harbor area exclusive of improvements, unless the improvements are State-owned, in which case they shall be included, which value shall be the value at which the property would be taken in payment of a just debt from a solvent debtor and such valuation shall be utilized in computation of rental for the five (5) year period following.

* ESSB 3290 has placed certain limits on the rental to be collected up through September 30, 1984. The above rental reflects those requirements. All rents due after that is dependent on future legislative action.

3.4 Leasehold Tax. The Lessee shall pay to the Lessor at Olympia, Washington 98504, the leasehold tax, if applicable, as set forth in chapter 61, Laws of 1976, 2nd Ex. Sess., or as may be amended. The tax shall be due and payable at the same time the rental charged herein is due and payable. Failure to pay said tax when due and payable shall be considered a breach of the provisions of this lease and the Lessor shall be entitled to all remedies they are entitled to by law, and the remedies provided herein for a breach of a provision of this lease. Any delinquent taxes shall be a debt to the Lessor and in the event the Lessor is subject to any penalties or interest because of the failure of the Lessee to pay such taxes, such penalties and interest shall be payable by the Lessee to the Lessor and shall be considered a debt to the Lessor. In the event the Lessor suffers any costs of whatsoever nature, including attorney fees, or other costs of litigation in collecting said tax, such cost shall be payable by the Lessee and shall be considered a debt due and owing to the Lessor by the Lessee.

SECTION 4 RESERVATIONS AND CONDITIONS OF USE

4.1 Discrimination. The Lessee covenants and agrees that in the performance of this lease agreement, the Lessee shall conduct its activities in a manner that will assure fair, equal and non-discriminatory treatment of all persons regardless of race, creed, sex, marital status or ethnic origin. Notwithstanding any exemption contained in State or federal law, the Lessee shall comply with all federal and State laws, rules or regulations concerning hiring and employment and assuring the service of all patrons, customers, members or invitees without discrimination as to any person's race, creed, sex, marital status or ethnic origin.

Non-compliance with this clause by the Lessee shall constitute a breach of this lease and the Lessor may initiate appropriate formal or informal action to assure compliance or may, at its discretion, terminate this lease upon 30 days notice to Lessee setting forth the claimed violation or violations and giving the Lessee a right to appeal to the Commissioner of Public Lands for a contested case hearing in accordance with the State Administrative Procedures Act (RCW 34.04).

4.2 Regulations. The Lessor shall have the right to regulate, under rules established by it, maintenance and design requirements of all improvements, rates of wharfage, dockage and other tolls to be imposed by the Lessee upon commerce for any of the purposes for which leased harbor areas may be used, and to change such regulations and rates from time to time.

4.3 Termination. The Lessor shall have the right to terminate this lease upon breach of any of the terms or conditions contained herein, including the obligation to pay the specified rental contained herein, or for the failure or refusal to erect within a reasonable time hereafter and continuously to operate and maintain in and upon the harbor area herein described the wharfs, docks, buildings or other structures represented in the exhibits of improvements proposed to be erected therein, which have heretofore been filed with the Lessor, or as altered with the consent and approval of the Lessor and entered upon its records. In addition, the Lessor shall have the right to terminate this lease for violation of any State or federal law, rule, regulation, order or permit required thereunder governing the uses authorized pursuant to the terms of this lease.

4.4 Improvements. No improvement shall be placed upon the harbor area without the prior written authorization of the Lessor. Authorized improvements constructed or placed on the leased premises during the term of this lease by the Lessee, unless otherwise specified, are the property of the Lessee. Upon the termination or expiration of this lease, the Lessee agrees to sever, remove and dispose of those improvements designated by the Lessor on the premises, within six months from date of termination or expiration. In those cases where the Lessor requires removal of improvements and such action is not taken by the Lessee, the Lessee agrees that the Lessor may remove such improvements and charge the Lessee for cost of removal and disposal. All improvements allowed to remain on the area herein described, upon termination or expiration of this lease, shall be the property of the Lessor.

4.5 Acquisition. The Lessor reserves unto itself, port district, county, city or other public agency in the territory where the portion of the harbor area described in this lease is located, the right to assume and thereafter hold this lease upon acquirement of the tidelands contiguous thereto and fronting thereon, without any value for said lease except for improvements thereon where such improvements are owned by the Lessee.

4.6 Entry. The Lessor shall have access to the premises at all reasonable times for the purpose of securing compliance with the terms and conditions of this lease.

4.7 Access. The Lessor reserves the right of access to and across the leasehold premises for all purposes and further reserves the right to grant easements and other land uses on the premises to others when the easement or other land uses applied for will not unduly interfere with the use to which the Lessee is putting the premises, or interfere unduly with the approved plan of development for the premises. No easement or other land uses shall be granted to third parties, until damages to the lease holder have been paid to the Lessee, or waiver signed by the Lessee.

4.8 Restrictions on Use. In connection with use of the premises, the Lessee shall:

(1) Conform to applicable laws and regulations of any public authority affecting the premises and the use thereof, and correct at the Lessee's own expense, any failure of compliance created through the Lessee's fault, or by reason of the Lessee's use.

(2) Remove no valuable material without prior written consent of the Lessor.

(3) Not make or suffer to be made, any filling in of the leased area or any deposit of rock, earth, ballast, refuse, garbage or other matter within such area except as approved in writing by the Lessor.

SECTION 5 REQUIREMENTS

5.1 Assignment and Sublease. This lease, or any portion thereof, may not be assigned, mortgaged, sublet or otherwise transferred without the prior written consent of the Lessor. In granting such consent, the Lessor reserves the right to change the terms and conditions of this lease as it may affect the assignee. Further, if the Lessee is a corporation or partnership and if at any time during the term of this lease, any part or all of the corporate shares or partnership interests of the Lessee shall be transferred by sale, assignment, bequest, inheritance, operation of law, or other dispositions so as to result in a change in the present control of the corporation or partnership by the person or persons now owning a majority of the shares, or change in the holding of the corporate or partnership interest, the same shall constitute an assignment of this lease and as such shall require prior written consent of the Lessor. Failure to obtain written approval of any assignment defined in this lease shall be grounds for cancellation.

5.2 Maintenance.

(1) The Lessee, at his sole cost and expense, shall at all times keep, or cause all improvements (regardless of ownership) to be kept, in as good condition and repair as originally constructed or as hereafter put, except for reasonable use.

(2) The Lessee shall not allow debris or refuse to accumulate on the leased premises, caused either by himself or any person authorized on the premises by the Lessee. Failure to comply with this provision shall be cause to permit the Lessor to remove the debris and refuse and collect the cost of such removal from the Lessee and/or cancel this lease.

5.3 Condition of Premises and Liability.

(1) The premises have been inspected by the Lessee and are accepted in their present condition. Lessee agrees to defend and hold Lessor harmless from any and all claims suffered, or alleged to be suffered on the premises, or arising out of operations on the premises.

(2) The Lessee shall carry with a responsible company or companies satisfactory to the State, a sufficient amount of fire and casualty insurance to recover the value of any or all improvements located on the leased premises. A copy of such insurance policy or policies is to be endorsed and delivered to the State with provision of ten (10) days' notice of change, expiration and/or cancellation to the State. In the event of fire or casualty damage to any improvement owned by the State, or required to be left on the leased premises at the expiration of this lease, the paid insurance benefits shall be used to immediately replace said improvements in a manner acceptable to the State or, if directed by the State, rehabilitate the area in a manner suitable to the State. Any portion of the insurance proceeds not so utilized shall be returned to the State or if so permitted, to be used to satisfy any outstanding obligations incurred by reason of this lease being utilized for loan security. In the event of fire or casualty damage to any improvement owned by the Lessee, the paid insurance benefits shall be used to either replace the improvement, or in lieu thereof, rehabilitate the area in a manner suitable to the State. The Lessee shall guarantee that all sublessees shall have provisions to either replace their own damaged improvements or to rehabilitate the area as defined above.

5.4 Assessments. The Lessee shall pay all the annual payments on all assessments that may be legally charged, whether or not such assessments have been levied against the leasehold or the Lessor by the assessing agency.

5.5 Insolvency of Lessee. If the Lessee becomes insolvent, bankrupt, a receiver appointed, or his interest is transferred by operation of law, the Lessor may cancel this lease at its option. Insolvency as used herein, will mean the inability of the Lessee to meet obligations as they come due.

SECTION 6 MISCELLANEOUS

6.1 No Partnership. The Lessor is not a partner nor a joint venturer with the Lessee in connection with the business carried on under this lease and shall have no obligation with respect to the Lessee's debts or other liabilities.

6.2 Non-Waiver. Waiver by either party of strict performance or any provisions of this lease shall not be a waiver of, nor prejudice the party's right to require strict performance of the same provision in the future, or of any other provision.

6.3 Attorney Fees. If suit or action is instituted in connection with any controversy arising out of this lease, the prevailing party shall be entitled to recover, in addition to costs, such sum as the court may adjudge reasonable as attorney fees.

6.4 Succession. Subject to the limitations as stated in paragraph 5.1 on transfer of the Lessee's interest, this lease shall be binding upon, and inure to the benefit of the parties, their respective successors and assigns.

6.5 Notices. Any notice required or permitted under this lease shall be given when actually delivered or when deposited in the United States mail addressed as follows: To the Lessor: Department of Natural Resources, Public Lands Building, Olympia, Washington 98504. To the Lessee: At the address given by the Lessee in the signature block, or as shown on later official documents of record with this lease.

6.6 Liens.

(1) No person shall have the right to file or place any lien of any kind or character upon the land or improvements within the leasehold premises without the prior written consent of the Lessor.

(2) In the event liens or other charges are placed on the leasehold premises, including land or improvements, arising out of the Lessee's actions directly or indirectly, the Lessee shall immediately cause such liens or charges to be discharged. The Lessor may forthwith cancel this lease if Lessee fails to discharge such liens or charges after ten days' notice to do so by the Lessor. The Lessee shall pay and indemnify the Lessor for all costs, damages or charges of whatsoever nature, including attorneys' fees necessary to discharge such liens or charges, whether such costs, damages or charges are incurred prior or subsequent to any cancellation of this lease.

6.7 Litigation. In the event this lease, its terms, its use, its occupation or it in any way becomes a matter of litigation, the Lessor shall be notified of such litigation within fifteen days after such litigation is begun. Failure to notify the Lessor of such action shall be cause for cancellation or termination of this lease.

6.8 Lessor's Right to Cure Defaults.

(1) If the Lessee fails to perform any requirements or obligations under this lease, the Lessor shall have the option to correct the obligation of the lease after thirty days' written notice to the Lessee. All of the Lessor's expenditures to correct the default shall be reimbursed by the Lessee on demand, with interest at the rate of one percent per month accrued from the date of expenditure by the Lessor.

(2) In the event any violation or breach of the provisions of this lease is causing damage to the leasehold premises or the Lessee is utilizing the leasehold premises in a manner not permitted by the provisions of this lease, or in any case damages are occurring to the leasehold premises, the Lessor may immediately enter upon the leasehold premises and take such action as necessary to cease such damages or use. In the event the damages or use is occurring by reason of a violation or breach of the provisions of this lease, the Lessee shall be liable for all costs incurred by the Lessor by reasons of such violations. The Lessor, at its option may send notice to the Lessee of such violations and the Lessee shall immediately cease such use or violation and correct and remedy such violations.

6.9 Bond. Lessee shall furnish a bond in the amount of \$0.00 as a guarantee of the performance of all the conditions set up and prescribed in this lease in all and every part thereof.

6.10 Legislative Changes. The Lessee further agrees that the provisions contained in paragraphs 3.1, 3.3 and 4.4 shall be subject to any changes in legislation affecting rental rates and improvements.

The Lessee expressly agrees to all covenants herein, and binds himself for the payment hereinbefore specified.

Attention: Terry Roswall

Subject: Marlow Avenue Outfall - App. 12006, Agreement 46342
High Avenue Outfall - Lease 2604

Dear Terry:

In accordance with our telephone conversation of this date, I am enclosing a copy of August 7, 1984 letter from Larry Sweeney and the proposed Agreement #46342 which accompanied that letter. Please review both and advise us re the following:

1. Is the agreement in the form you require?
2. Should this remain a separate agreement? Or should it be combined with the Agreement pending for High Avenue Outfall, or Agreement #45730, or both?
3. Will this Agreement be waived from fee after October 1984 by the new Aquatic Land Legislation?
4. Our first "right of entry" at Marlow Avenue Outfall was issued February 6, 1984. Shouldn't the fee periods begin no earlier than February 1, 1984? It would appear we should pay only one year's fee now.

We will await your reply before having the City execute the Agreement.

Please also inform us of the status of the switch of the High Avenue Outfall from Harbor Area Lease #2604 to a right-of-way agreement.

Sincerely,

I certify that this is a copy of the
document to be reviewed and
approved by the Planning
Department and the City Council
of the City of Bremerton, Washington.

July 6, 1983
Karen M. Brantley

(C14B)

The Department of Ecology has reviewed the above referenced permit to replace and extend an existing stormwater outfall pipe at High Avenue and at the west end of 13th Street near Marlow Avenue in the Port Washington Narrows.

We concur that the proposal meets the intent of the master program and the criteria set forth in WAC 173-14-140 for granting a conditional use. The permit is therefore approved.

This approval is given pursuant to requirements of the Shoreline Management Act of 1971. Other federal, state or local approvals may be required.

Construction is not authorized until thirty days from the transmittal date of this approval letter and enclosed permit or until conclusion of any review proceeding initiated within the thirty-day period.

If you have any questions on the above action, please contact Emily Ray (206) 459-6279 or Michael Rundlett (206) 459-6276 of this office.

Sincerely,

D. Rodney Mack
Assistant Director
Office of Land Programs

Dear Mr. Kane:

Inclosed is a Department of the Army permit which authorizes performance of the work described in your referenced application.

You are cautioned that any change in the location or plans of the work will require submittal of a revised plan to this office for approval prior to accomplishment. Deviation from approved plans may result in imposition of criminal or civil penalties.

Your attention is drawn to conditions "o" and "n" of the permit which specify the expiration dates for both commencement and completion of the work and that you notify this office of the dates the work is started and completed.

Sincerely yours,

Name of Applicant City of Bremerton

Effective Date 5 OCT 1983

Expiration Date (If applicable) See General Condition o.

DEPARTMENT OF THE ARMY PERMIT

Referring to written request dated 15 April 1983 for a permit to:

(☒) Perform work in or affecting navigable waters of the United States, upon the recommendation of the Chief of Engineers, pursuant to Section 10 of the Rivers and Harbors Act of March 3, 1899 (33 U.S.C. 403);

(☒) Discharge dredged or fill material into waters of the United States upon the issuance of a permit from the Secretary of the Army acting through the Chief of Engineers pursuant to Section 404 of the Clean Water Act (33 U.S.C. 1344);

() Transport dredged material for the purpose of dumping it into ocean waters upon the issuance of a permit from the Secretary of the Army acting through the Chief of Engineers pursuant to Section 103 of the Marine Protection, Research and Sanctuaries Act of 1972 (36 Stat. 1052; P.L. 92-532);

City of Bremerton
239 Fourth Avenue
Bremerton, Washington 98310

is hereby authorized by the Secretary of the Army:

to install storm sewer outfall pipe and place fill (replace existing outfall with new outfall pipe to separate sewage from storm water)

in Port Washington Narrows, Puget Sound

at Bremerton, Washington

In accordance with the plans and drawings attached hereto which are incorporated in and made a part of this permit (on drawings, give file number or other definite identification marks.) 071-OYB-2-008828, 4 sheets

Subject to the following conditions:

I. General Conditions:

a. That all activities identified and authorized herein shall be consistent with the terms and conditions of this permit; and that any activities not specifically identified and authorized herein shall constitute a violation of the terms and conditions of this permit which may result in the modification, suspension or revocation of this permit, in whole or in part, as set forth more specifically in General Conditions j or k hereto, and in the institution of such legal proceedings as the United States Government may consider appropriate, whether or not this permit has been previously modified, suspended or revoked in whole or in part.

ENG FORM 1721, Sep 82

EDITION OF 1 JUL 77 IS OBSOLETE

(ER 1145-2-305)

b. That all activities authorized herein shall, if they involve, during their construction or operation, any discharge of pollutants into waters of the United States or ocean waters, be at all times consistent with applicable water quality standards, effluent limitations and standards of performance, prohibitions, pretreatment standards and management practices established pursuant to the Clean Water Act (33 U.S.C. 1344), the Marine Protection, Research and Sanctuaries Act of 1972 (P.L. 92-532, 86 Stat. 1062), or pursuant to applicable State and local law.

c. That when the activity authorized herein involves a discharge during its construction or operation, or any pollutant (including dredged or fill material), into waters of the United States, the authorized activity shall, if applicable water quality standards are revised or modified during the term of this permit, be modified, if necessary, to conform with such revised or modified water quality standards within 6 months of the effective date of any revision or modification of water quality standards, or as directed by an implementation plan contained in such revised or modified standards, or within such longer period of time as the District Engineer, in consultation with the Regional Administrator of the Environmental Protection Agency, may determine to be reasonable under the circumstances.

d. That the discharge will not destroy a threatened or endangered species as identified under the Endangered Species Act, or endanger the critical habitat of such species.

e. That the permittee agrees to make every reasonable effort to prosecute the construction or operation of the work authorized herein in a manner so as to minimize any adverse impact on fish, wildlife, and natural environmental values.

f. That the permittee agrees that he will prosecute the construction or work authorized herein in a manner so as to minimize any degradation of water quality.

g. That the permittee shall allow the District Engineer or his authorized representative(s) or designee(s) to make periodic inspections at any time deemed necessary in order to assure that the activity being performed under authority of this permit is in accordance with the terms and conditions prescribed herein.

h. That the permittee shall maintain the structure or work authorized herein in good condition and in reasonable accordance with the plans and drawings attached hereto.

i. That this permit does not convey any property rights, either in real estate or material, or any exclusive privileges; and that it does not authorize any injury to property or invasion of rights or any infringement of Federal, State, or local laws or regulations.

j. That this permit does not obviate the requirement to obtain state or local assent required by law for the activity authorized herein.

k. That this permit may be either modified, suspended or revoked in whole or in part pursuant to the policies and procedures of 33 CFR 325.7.

l. That in issuing this permit, the Government has relied on the information and data which the permittee has provided in connection with his permit application. If, subsequent to the issuance of this permit, such information and data prove to be materially false, materially incomplete or inaccurate, this permit may be modified, suspended or revoked, in whole or in part, and/or the Government may, in addition, institute appropriate legal proceedings.

m. That any modification, suspension, or revocation of this permit shall not be the basis for any claim for damages against the United States.

n. That the permittee shall notify the District Engineer at what time the activity authorized herein will be commenced, as far in advance of the time of commencement as the District Engineer may specify, and of any suspension of work, if for a period of more than one week, resumption of work and its completion.

o. That if the activity authorized herein is not completed on or before 5th day of Oct., 19 86, (three years from the date of issuance of this permit unless otherwise specified) this permit, if not previously revoked or specifically extended, shall automatically expire.

p. That this permit does not authorize or approve the construction of particular structures, the authorization or approval of which may require authorization by the Congress or other agencies of the Federal Government.

q. That if and when the permittee desires to abandon the activity authorized herein, unless such abandonment is part of a transfer procedure by which the permittee is transferring his interests herein to a third party pursuant to General Condition t hereof, he must restore the area to a condition satisfactory to the District Engineer.

r. That if the recording of this permit is possible under applicable State or local law, the permittee shall take such action as may be necessary to record this permit with the Register of Deeds or other appropriate official charged with the responsibility for maintaining records of title to and interests in real property.

s. That there shall be no unreasonable interference with navigation by the existence or use of the activity authorized herein.

t. That this permit may not be transferred to a third party without prior written notice to the District Engineer, either by the transferee's written agreement to comply with all terms and conditions of this permit or by the transferee subscribing to this permit in the space provided below and thereby agreeing to comply with all terms and conditions of this permit. In addition, if the permittee transfers the interests authorized herein by conveyance of realty, the deed shall reference this permit and the terms and conditions specified herein and this permit shall be recorded along with the deed with the Register of Deeds or other appropriate official.

u. That if the permittee during prosecution of the work authorized herein, encounters a previously unidentified archeological or other cultural resource within the area subject to Department of the Army jurisdiction that might be eligible for listing in the National Register of Historic Places, he shall immediately notify the district engineer.

II. Special Conditions: *(Here list conditions relating specifically to the proposed structure or work authorized by this permit):*

The following Special Conditions will be applicable when appropriate:

STRUCTURES IN OR AFFECTING NAVIGABLE WATERS OF THE UNITED STATES:

a. That this permit does not authorize the interference with any existing or proposed Federal project and that the permittee shall not be entitled to compensation for damage or injury to the structures or work authorized herein which may be caused by or result from existing or future operations undertaken by the United States in the public interest.

b. That no attempt shall be made by the permittee to prevent the full and free use by the public of all navigable waters at or adjacent to the activity authorized by this permit.

c. That if the display of lights and signals on any structure or work authorized herein is not otherwise provided for by law, such lights and signals as may be prescribed by the United States Coast Guard shall be installed and maintained by and at the expense of the permittee.

d. That the permittee, upon receipt of a notice of revocation of this permit or upon its expiration before completion of the authorized structure or work, shall, without expense to the United States and in such time and manner as the Secretary of the Army or his authorized representative may direct, restore the waterway to its former conditions. If the permittee fails to comply with the direction of the Secretary of the Army or his authorized representative, the Secretary or his designee may restore the waterway to its former condition, by contract or otherwise, and recover the cost thereof from the permittee.

e. Structures for Small Boats: That permittee hereby recognizes the possibility that the structure permitted herein may be subject to damage by wave wash from passing vessels. The issuance of this permit does not relieve the permittee from taking all proper steps to insure the integrity of the structure permitted herein and the safety of boats moored thereto from damage by wave wash and the permittee shall not hold the United States liable for any such damage.

MAINTENANCE DREDGING:

a. That when the work authorized herein includes periodic maintenance dredging, it may be performed under this permit for _____ years from the date of issuance of this permit (*ten years unless otherwise indicated*);

b. That the permittee will advise the District Engineer in writing at least two weeks before he intends to undertake any maintenance dredging.

DISCHARGES OF DREDGED OR FILL MATERIAL INTO WATERS OF THE UNITED STATES:

a. That the discharge will be carried out in conformity with the goals and objectives of the EPA Guidelines established pursuant to Section 404(b) of the Clean Water Act and published in 40 CFR 230;

b. That the discharge will consist of suitable material free from toxic pollutants in toxic amounts.

c. That the fill created by the discharge will be properly maintained to prevent erosion and other non-point sources of pollution.

DISPOSAL OF DREDGED MATERIAL INTO OCEAN WATERS:

a. That the disposal will be carried out in conformity with the goals, objectives, and requirements of the EPA criteria established pursuant to Section 102 of the Marine Protection, Research and Sanctuaries Act of 1972, published in 40 CFR 220-228.

b. That the permittee shall place a copy of this permit in a conspicuous place in the vessel to be used for the transportation and/or disposal of the dredged material as authorized herein.

This permit shall become effective on the date of the District Engineer's signature.

Permittee hereby accepts and agrees to comply with the terms and conditions of this permit.

Attention: Mr. Larry Sweeney

Gentlemen:

Subject: Bremerton Contract C14
Corps of Engineers Permit No. 071-OYB-2-00882B
Lease Application

Enclosed is an application for lease of publicly owned aquatic lands along Port Washington Narrows for the High Avenue storm sewer outfall portion of the above-referenced project.

The City now has a contractor under contract to accomplish the construction. The City would like to complete the construction before the heavy winter rains in order to alleviate stormwater problems in the area. It would, therefore, be a great service to the City of Bremerton if review and processing of the applications and other procedures necessary to the City's acquiring the necessary lease can be expedited. The City would like to hand-carry documents between offices or similarly assist if it would be of help. Also, when you have materials to send to us, please call so a messenger can be sent to pick them up rather than relying on the mail.

Department of Natural Resources
